DETER OUTDOOR SOAP

ALL NATURAL

The Best Biodegradable Soap!

Product Description

Deter Outdoor Soap is all natural made with organic Sunflower and Coconut Oils. It is an exceptionally mild yet effective liquid cleanser which will not dry your skin. Best of all it is biodegradable and will not harm aquatic life or the environment. It is the perfect solution for all your outdoor cleansing needs, or for use at home as a daily skin cleanser. Fresh and clean natural citrus scent.

Liquid soaps developed in the La Castilla region of Spain known as “Castile Soap” made with pure botanical oils are considered the best natural cleansers available. Based on Castile Soap, Deter Outdoor Soap is made with certified organic Sunflower and Coconut Oils. Deter Outdoor Soap is an excellent non-drying skin cleanser that can also be used as a shampoo, or gentle laundry detergent. Surfactant-free and no parabens, sulfates PEGS, PPG, Glycols or Phtalates. The all natural biodegradable formula is certified by the Soil Association, Ecocert and USDA NOP so you can feel good about using it wherever your outdoor activities take you.

Available in a convenient camp-ready 4 oz. bottle or an economical 12 oz. family size pump bottle for use at home or with larger groups.
